

BWAC Membership Application for 2021

BWAC's Mission:

The Brooklyn Waterfront Artists Coalition has two synergistic missions:

- 1) to help artists advance their careers; and
- 2) to make contemporary art accessible to the metropolitan community and specifically to our Brooklyn neighbors.

Artists Helping Artists: This mission is accomplished by **you and all the other exhibiting member artists**. Together, we produce/host, a series of free art exhibitions including free musical performances, free video/film series, artists talks, and a free writers' reading series.

In 2021 BWAC Exhibiting Artists/Members get:

- **To participate** in a community of artists helping each other advance their careers by affording opportunities to curate exhibitions, present personal Artist Talks and network using a variety of media.
- **Accepted into all 2021 Member Shows.** Annual membership includes one large panel or 2 pedestals to use during each show. Fees for extra panels are applicable as follows: \$50 per extra large panel, \$30 per extra small panel or pedestal, per show.
- **Promotion of your career** by contributing your news to a member email newsletter.
- **Information** - useful information via member email newsletters and more.
- **20% Discount on BWAC juried-show application fees.** Juried shows bring us museum curators, many new visitors and financially support the Member shows.
- **To submit proposals for group or solo shows within our seasonal exhibitions.** These proposals can include non-BWAC members.
- **Six images on Artsy**, plus opportunity for entering future online exhibitions
- Links to your social media in your Artist Profile on the BWAC website and additional opportunities for social media promotion

Important: the email newsletter is our primary means of communication.

If you are not receiving the email newsletter, send your contact email to: info@bwac.org

Volunteer Work Requirement:

All of the work done to make these art exhibits possible is done by volunteer artists/exhibitors like you; without your volunteer efforts there would be no exhibits. There is a twelve hour volunteer work requirement per seasonal show. Certain jobs are off-site. Approval of off-site jobs requires an administrative interview and agreed deliverables. Many jobs are on-site, including Gallery Guides for each weekend the Gallery is open. Most show shifts are 6 hours. You may register for on-site work-shifts during Artist Registration Days/Set-Up, or in advance by email. **One shift change can be made up to 48 hours before the shift starts without penalty.**

Volunteer work Waiver Fees and no-show Penalties:

We need your help and prefer you to help BWAC with your involvement and Volunteer time. If you can't, you have the option to pay **\$12.50 per hour** as a volunteer work waiver fee if paid with this application or at Registration or Installation.

One shift can be changed once without penalty if canceled 48 hours in advance. If you miss a shift or part of a shift without notice, it puts extra work on all the other artists working the same shift. This missed time can be made up by doing double the time or by paying double the Work Waiver fee for the missed time. At the end of the season, your credit card will be charged for any hours due at **\$25 per hour** for any non-worked hours.

Recruitment Bonuses for 2021:

You earn credit for one six-hour volunteer work shift each time you recruit a new, first-time member to BWAC. Make certain your recruit enters your name on the top of their application. And for musicians, if you or a friend(s) perform in the Red Hook Performance Series, you will get one six-hour "work" shiftcredit.

Exhibit at Your Own Risk:

BWAC does not have insurance for artwork and assumes NO liability for any work that is damaged or lost. Exhibit at your own risk. Consult your agent for property insurance. All artwork MUST be picked up on the scheduled pick-up days after each show or the artwork is automatically donated to BWAC.
